EDUCATION

- **National Institute Of Technology, Patna** 2021-2025
B.Tech in Computer Science and Engineering CGPA: 9.64
- **Annasaheb Vartak College, Vasai Road** 2018-2020
Maharashtra State Board of Higher Secondary Education (Higher Secondary School) Percentage: 83.23
- **Mount Mary English High School, Virar (East)** 2018
Maharashtra State Board of Secondary Education (Secondary School) Percentage: 93.20

EXPERIENCE

- **Coding Ninjas** January 2023 - May 2023
Teaching Assistant New Delhi
 - Mentored and provided guidance to over 300 remotely, assisting them in solving complex concept-based problems.
 - Played a key role in helping students excel in Data Structures and Algorithms, providing valuable insights, strategies, and clarifications.

PERSONAL PROJECTS

- **School Website** July 2023
Official website for a Secondary School
 - Developed an official website for a secondary school using a modern tech stack, including ReactJs, NodeJs, Express, MongoDB, Mongoose, CSS, JavaScript, and HTML.
 - Implemented a comprehensive set of features, including an administration login for managing and posting notices, achievements, and event notices.
 - Designed and integrated a student login portal, offering students access to essential resources such as timetables, fee details, assignments, scorecards, and recorded lectures. Authentication for the student portal was secured using JSON Web Tokens (JWT).
- **Blog Website** June 2023
Blog website for writing, posting viewing and editing blogs
 - Designed and developed a dynamic blog website, empowering users to write, post, edit, and delete blogs on a wide range of topics.
 - Utilized a modern tech stack that included HTML, CSS, JavaScript, NodeJs, and MongoDB to create a seamless blogging experience.
